THE SALT LAKE SESAID SLITTING S OCIOUS SU

A TELLING SPEECH.

Gov. Hill Talks Democracy in

Philadelphia.

Philadelphia.

Pennsylvania was that there must be no legislation upon this subject. I am not going to night to discuss this tariff question. It is a subject about which, in its detail, there may be difference, but in the main there can be none. I simily propose to call attention to the evidence that Mr. Blaine is not sincere when he tells you that no legislation is necessary whatever.

Trat Civil Service Beform The Tariff and the Plamed Knight's Forgetfilness.

A Campaign Speech.

PHILIPPILA, October 29. - At the a demonstration at the Aca-Music, this evening, a special qualities of the tariff and to reduce the surplus." Yet Mr. Blaine comes now before the people of the tariff State, as the second wildly for several and the entire speech was independently and with and punctuated by ended with an ended with a party pledges itself to correct the inequalities of the tariff and to reduce the surplus." Yet Mr. Blaine comes now before the people of the tariff State, as it is supposed to be, and declares that he opposes all legislation whatever. He wants the present law maintained, inequalities and all. As early as November, 1883, he wrote a letter to Charles E. Smith, editor of one of your papers, in which, speaking on this o Music, this evening, a special of New York. In welcoming the gnished visitor, the large audience and cheered wildly for several manking the meeting for the corof the reception given him, construed as a compliment to he construed as a compliment to huself personally, but to the last democracy of the Empire 2 Sovermor Hill said that ungleans and New York had so shoulder to shoulder in early soonial history in the war of men and money during the lon to sive the Union. Two and any of a learful political revolution. alted in the ascendancy of the party. Subsequently, Gov-

perative duty."

This was his position taken deliberately in 1883, and this is one of the letters that was not burned. (Great cheering.) We are willing to stand upon that same; position.

We simrly stand in favor of revenue reform. We have proposed nothing else and that reform will not interfere else and that reform will not interfere with the wages of a single laboring endent, and the speaker had lected to the Governorship, of man. On the contrary it will preserve man. On the contrary it will preserve and protect them. It will not destroy a might to ask you to follow the a single industry in the country, but it New York, and elect your will preserve and build up all of them. Blaine has also a great sympathy for the colored people of the south. He Governor to the Govof your State. That the civil service reform, a many reasons why he elected, but there is one afficient for me, he is a true tells us, what I do not believe to be true, and what no investigation had proven to be true, viz. that the colored people of the south are deprived of their You ask me upon this ocon to speak to you of the issues of, political rights. What peculiar information has he to which the country has not access? I say there has been you have heard Daniel Dougherty amed J. Randall? I have but a agestions to make. You have himself. I say, there has not been a petition of any importance presented the predictions of our opmis made two years ago. I ven-me statement that those predicshare come to naught.
